

DESON®
Hotel & Banquet

HISTORY

Before the establishment of the company DESON, factory started export business since 2001.

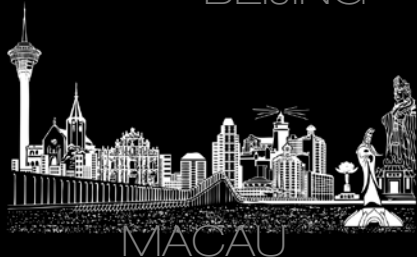

In the year 2010, DESON Hong Kong and Shanghai company was established.

In the year 2011, DESON Shenzhen company was established.

In the year 2014, DESON Beijing company was established.

In the year 2015, DESON Macau company was established.

From then on, DESON group position “DESON” brand with innovation and superior quality, and the company develop into a professional enterprise integrating R&D, designing, producing, and selling characteristic top hotels’ food & beverage furniture.

BUSINESS SCOPE

Up to now, DESON has approved multinomial patents for utility models and appearance design.

Meanwhile, it always completes production marketing management system to develop company and “DESON” brand continually in the long term.

DESON series product consists of Mobile Buffet Station line, Desktop products line Banquet furnitures and others.

SERVICE

"Professional, Sincerity, Innovation, Trust" is DESON's operation principle, which brings the company abundant praises.

Pre-sale Service:

Supply professional product consultation, product configuration and design scheme based on customer's requirements.

After-sale Service:

Supply usage training, maintenance of products, spare parts changed, new products information updated and other relative services.

COMPANY CULTURE

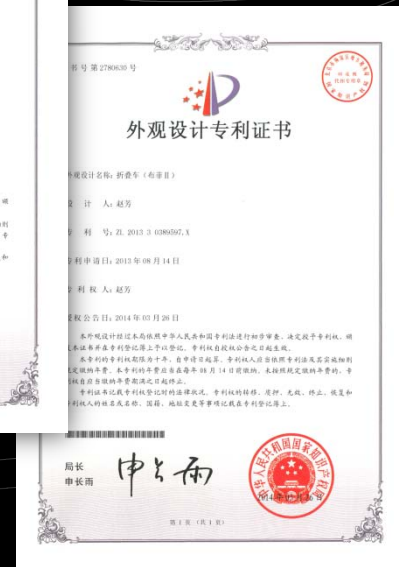

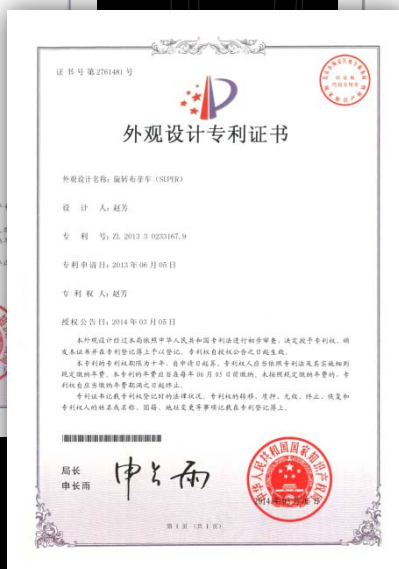

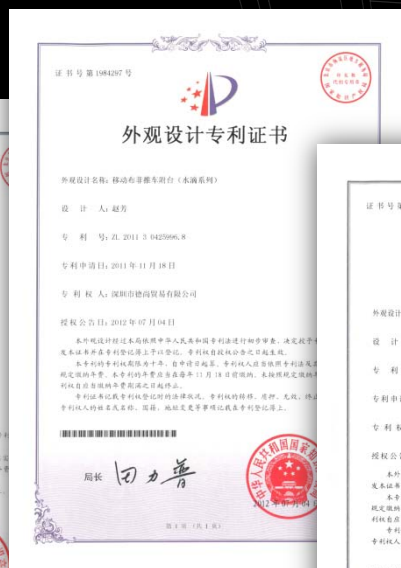

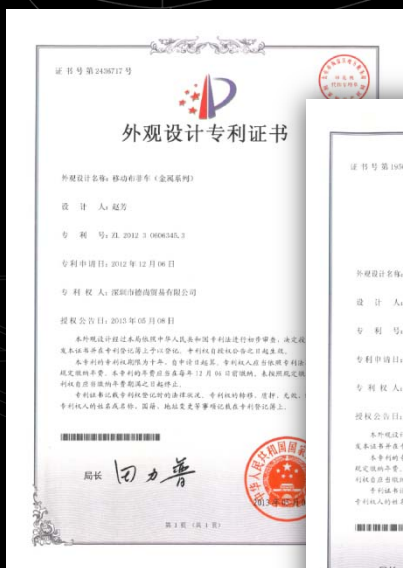

Vision : Be creative, make a better life, become the first choice from customer.

Mission: Forever innovate for customer's benefits, forever pursuit for realizing own values.

Value: Work objectively, passionately and joyously with innovation, integrity and collaboration.
