Wanzl Hotel Service

Continuing a long success story

Plate trolley 1976

Tray trolley 1984

ZP Classic chambermaid trolley 2012

■ **At Wanzl, we know** what people will want tomorrow. As a world market leader for shopping trolleys, we provide the right answers for Hotel Service too. As early as the 1970s, the first Hotel Service products were already being produced, such as the plate and tray trolleys for optimised day-to-day processes in the hotel and catering trade.

■ **Today, Wanzl employs** over 4,000 employees at eleven production sites worldwide, working on new business areas and products, on unusual product designs with a consistently high quality and a vast production range. The aim: perfectly satisfied customers.

The world is changing. Take advantage of it!

■ **For optimised day-to-day hotel processes.** Wanzl's professional competence ensures effective work processes in the hotel and catering trade – and thus also the competitiveness and business success of its partners. Functional, economical and user-friendly products minimise personnel requirements and help to satisfy the high expectations and requirements of your guests.

Highlights_MADE BY WANZL

Innovative products from a single source

In-house castor production

In-house CAD development

Production

■ **Wanzl sets the standards for production:** in all production processes, Wanzl's quality policy results in products with the best materials, first-class workmanship and well-finished surfaces. This ensures long-term maintenance-free use and investment security.

Quality

■ **Wanzl sets the standards for quality:** particularly with regard to smooth motion: the castors are mounted on two maintenance-free ball bearings, have abrasion-proof treads and feature steering forks with ball bearings. As a result, our chambermaid trolleys are quiet, smooth-running and easy to steer.

Innovation

■ **Wanzl sets the standards for innovation:** from practical experience – for practical use: Using cutting-edge production and design technology, we create innovative, forward-looking products and constantly set new standards for handling and effectiveness. In this way we streamline your processes, guaranteeing you have the best possible facilities in the future, too.

01.01 Premium ZP Classic

The tried-and-tested design from Wanzl

■ The special features of the Premium Classic chambermaid trolley help the room service personnel to provide a perfect service. It can be customised as required by adding practical accessories.

Standard equipment: Steel-tube design, fold-out bars for hanging laundry and rubbish bags, one of which is a bar with folding lid for closing 120-litre plastic bags. Lower bars, each with grate. Two fixed and two height-adjustable shelves in matching finish.

Finish: Plastic powder-coated in titanium grey.

Model ZP-7: 2 swivel castors, 2 fixed castors, with polyamide treads.

Models ZP-9, ZP-11: 4 swivel castors with polyamide tread, 5th central castor with rubber tread.

Design pend.

ZP-9 CLASSIC
Anthracite finish
Illustration shows special equipment

5th castor – extremely manoeuvrable

Simply perfect: The 5th castor allows the trolley to rotate on the spot. Available for the ZP-9 and ZP-11 models.

All-round protection for your hotel interior

Protective feature: Integrated deflector profile and rubber deflectors protect the hotel interior.

Accessories: Polyester cover for rubbish bag

Visually and functionally perfect: "Invisible" rubbish bag thanks to polyester cover. A much nicer look.

01.02 Premium ZP Eco

Room service meets environmental awareness

- > *Simple waste separation*
- > *2 waste separation boxes as standard*
- > *Adaptable: available in 3 sizes and 3 finishes*

01.02 Premium ZP Eco

The environmentally friendly design from Wanzl

■ The special features of the Premium Eco chambermaid trolley are particularly helpful for separating waste. It, too, can be upgraded with practical accessories.

Standard equipment: Steel-tube design, fold-out bars for hanging laundry and rubbish bags, one of which is a bar with folding lid for closing 50-litre plastic bags. Lower bars, each with grate. Two stackable waste separation boxes with lid. Two fixed and two height-adjustable shelves in matching finish.

Finish: Plastic powder-coated in titanium grey.

Model ZP-7: 2 swivel castors, 2 fixed castors, with polyamide treads.

Models ZP-9, ZP-11: 4 swivel castors with polyamide tread, 5th central castor with rubber tread.

Practical clamp fastening

Convenient details

Clamp fastening ensures the rubbish bag is held securely.

Waste separation boxes as standard

Simple waste separation

2 standard boxes allow different recyclable materials to be separated easily.

Adjustable shelf

Inserted without tools:

The shelf can be easily set at the desired height.

Optional ash boxes

Prevents odours

The lid also avoids odours escaping when providing room service.

01.03 Premium ZP Clean

Room service with the ultimate in hygiene

- > *Cleaning made easy*
- > *Retaining net for holding a cleaning tray*
- > *Extendible trays for customised storage space*

ZP-9 CLEAN
Anthracite finish
Illustration shows special equipment

Finish

01.03 Premium ZP Clean

The clean design from Wanzl

■ The special features of the Premium Clean chambermaid trolley helps make cleaning more efficient.

Like all premium models, it can be upgraded with practical accessories.

Standard equipment: Steel-tube design. Two fixed and two height-adjustable shelves in matching finish.

Right-hand side: fold-out bar for hanging a rubbish bag. Lower bar with grate and 2 stackable waste separation boxes with lids.

Left-hand side: adaptable equipment with extendible, pull-out shelves and a retaining net for cleaning materials.

Finish: Plastic powder-coated in titanium grey.

Model ZP-7: 2 swivel castors, 2 fixed castors, with polyamide treads.

Models ZP-9, ZP-11: 4 swivel castors with polyamide tread, 5th central castor with rubber tread.
