WMF ASIA

WMF ASIA combines the charm of the Far-East with European table culture.

Exotic cultures have always fascinated people. In this era of foreign travel to far-flung destinations and exposure to international gastronomy, it is especially important that WMF represents the exotic. Those who replace the traditional chopsticks with heavy, high-quality WMF ASIA cutlery will be sure to impress their clientele. This is because WMF combines high-quality with a unique flair and is the perfect fusion of Asian and Europe table art.

# PURE EXCLUSIV COLOUR

Harmony and unity are the key components of any dining experience. Until now, one was generally only limited to white and black to ensure that all the accessories matched.

The PURE EXCLUSIV COLOUR range opens the world to new, exciting possibilities. With endlessly customisable PURE EXCLUSIV products, there are many new, colourful options for your establishment and table designs, even with comparatively few items. All RAL colour tones are available.

The WMF PURE EXCLUSIV COLOUR range will bring your table to life.
