AURUM2000™
Guestroom Telephones

COTELL®

Aurum2000™ *Unlocking Hospitality Technology*

Boasting an uncluttered design with a distinctive overall slim profile, AURUM 2000™ hospitality telephone has pushed the boundaries of the guestroom phone design paradigm. Bold straight lines accented by small square edges bring sleekness to the muscular design of the phone that can seamlessly fit into any space and interior décor in the guestroom, elevating your hospitality property to exclusivity beyond imagination
