PACKAGE WAY

02

Deluxe Coat/Suit Hangers

Streamlined shape and wide shoulder keeps your suits/jackets/Coat in shape and gives them a freshly pressed appearance

03

Pants/Trousers/Skirt Hangers

Ideal for all types of pants and skirts. Slim space-saving body and anti-stain clear cushion clips to hold skirts and pants firmly in place. More designs&colours are available.

04

Laminated/Plywood Hangers

Made by gluing together strips of timber and shaping them with steam. The end grain is displayed in all it's splendour whilst the hanger itself becomes stronger than solid wood of the same thickness

05

Velvet/Flocked Hangers

The soft velvet covering gives these hangers a textured feel and keep garments in place

06

Childrens Wooden hangers

Each piece is expertly crafted to be durable, colorful & safe for children of all ages. More designs and colours are available.

07

Plastic Hangers

High quality plastic hangers are strong and durable, which protects your skirts, pants and other garments. Plastic hangers are excellent economical choices for merchandising or for your home closet .

Beech/Ash/Cedar Wood Material & Special Finishing

Beech, Ash, Cedar etc, more material on request

Material Option Choose wood materials for hanger

Regular wood material: Lotus Wood

Lotus wood with good sense of texture and weight. It has moderated density and hardness and resistance to shock. The price is reasonable, which is one of the regular wood materials for making hangers.

Ash Wood

It has good moisture resistance, strength, toughness, stiffness and hardness for its relatively light weight. Its Bending properties are generally very good and not easy to deform and crack. It has a pronounced grain, and the grain is coarse and interlocked. It is deeply favored by customers with its strong plasticity, which can be made into all kinds of craft effect, and can be used extensively in all kinds of high-class hangers.

Deluxe hanger materials: Beech Wood

It is primarily reddish-brown in color and slightly coarse with conspicuous rays and tiny pores. The grain is straight with a fine, even texture. It has excellent bending characteristics, and has a high crush strength, medium stiffness and resistance to shock. It is deeply favored by customers with its strong plasticity, which can be made into all kinds of craft effect, and can be used extensively in all kinds of high-class hangers.

Cedar Wood

Cedar is known to smell fresh, absorb moisture and unwanted odors, and eliminate moths. Perfect for walk-in closets or dressing rooms. It is primarily red-brown with a pronounced grain, which can be made into beautiful high-class hangers.

Any other wood material can be specified, such as Maple Wood / Oak Wood / Birch Wood / Pine Wood / Rubber Wood .

Special Finish

We are experienced in making different kinds of effects on hanger appearance, such as any pantone color covering, brushed, destroyed, white wash black hand making.
