

# TV Remote Holder with Wireless Charger Datasheet

## Specifications

|                               |                        |
|-------------------------------|------------------------|
| <b>MODEL</b>                  |                        |
| Model No.                     | GCS-PU-WC-2025-TVRM    |
| <b>STANDARD</b>               |                        |
| Standard                      | Qi1/Qi2 Compliant      |
| <b>WIRELESS CHARGER POWER</b> |                        |
| Power                         | 15W                    |
| Current                       | 1.5A                   |
| Voltage                       | 12VDC                  |
| Magnetic Alignment            | Qi2 version only       |
| <b>INPUT POWER</b>            |                        |
| Input Voltage                 | 100-220VAC 50/60Hz     |
| <b>PLUG</b>                   |                        |
| Input Power Plug              | UK/EU/China/US         |
| Protection                    | Power Surge Protection |

## Other Details

|               |                                   |
|---------------|-----------------------------------|
| Material      | Microfiber PU/Genuine Leather     |
| Color         | Black*                            |
| Power Cord    | 1.5m with locking joint connector |
| Measurement   | 150*270*H135mm                    |
| Compatibility | IoS/Android                       |

## Application

Stylish design with perfect craftsmanship, refinement and reliable performance. Recommended for hospitality guestrooms application

## Certification

CE

## Environment

|   |              |
|---|--------------|
| 1. Ambient operation temperature            | -5°C to 40°C |
| 2. Relative humidity                        | 0 to 95%     |
| 3. Application area Cleaning Recommendation | Indoor       |

## Cleaning Recommendation

It is not recommended to spray cleaning products directly on to leather/PU. Only wipe down with damp or dry cloth.

Note: \* Other color to be specified by customer
