DRY MICROFINE STEAM

Laurastar DMS guarantees you a perfect result in half the time, treating fabrics gently by delicately plumping them and providing a hygienic effect at the heart of fibres that **kills 99.999% of bacteria and 100% of dust mites\*** through the simple act of ironing: Performance, care and hygiene thanks to steam that doesn't leave your clothes wet and works 15 times faster than steam from standard steam generators.

\*Tests carried out by the Swiss laboratory Scitec Research SA
