

## Laurastar Pulse Anniversary – Priced at RM 12000

### Description

The Laurastar Pulse Anniversary Edition ironing system, Laurastar's latest technological innovation, consists of an active board, equipped with a 2-speed blower and vacuum system, which you can change simply by pressing a button. Its pulse steam system, diffused by a series of automatic and short intermittent bursts ensures optimal steam distribution for a perfect result. Thanks to its professional iron equipped with a 3D active soleplate, steam is diffused evenly, allowing you to eliminate creases in a single movement. With a slight movement of the handle, the professional iron automatically releases an ultrafine, powerful steam which will preserve fabrics and colours.

With its bold and distinctly glamorous new colour – created exclusively to mark the brand's 35th anniversary – the Laurastar Pulse sets itself apart with an artful blend of beauty and high technology. It is made from a material designed to withstand extremely high temperatures, currently used in the manufacture of protective clothing worn by professionals.

Laurastar Pulse Anniversary Edition comes with a protective soleplate for delicate fabrics, a special heat-resistant iron mat, a steam cord holder and an anti-scale water filter refill.

### Key Features

#### **IMMEDIATE USE**

The Laurastar Pulse Anniversary Edition ironing system heats up in only three minutes. Thanks to its patented opening and foldaway system, it can be set up and stored away in an instant.

#### **CONVENIENT**

The Laurastar Pulse Anniversary Edition ironing system has six adjustable height levels as well as an automatic electric cable rewriter. For increased convenience, its vertical steaming function allows you to bring the finishing touch to your hanging garment.

## NON-STOP IRONING

Laurastar Pulse's Anniversary Edition removable water tank can hold up to 1.2 litres and has an integrated anti-scale filter. It allows you to add water as you iron.

## SAFE USE

The Laurastar Pulse Anniversary Edition ironing system has an auto-stop function which automatically switches off the appliance after fifteen minutes of non-use for increased safety and energy saving. Its safety storage box allows you to store away the iron when it is still hot.

## EASY TO STORE AWAY

Easy to move around with its two pairs of integrated wheels, the Laurastar Pulse Anniversary Edition ironing system is easy to store away, taking up only 20cm when folded.

### GENERAL FEATURES

Steam Pressure	<b>Constant pressure, 3.5 bars (double volume)</b>
Autonomous Ironing	<b>Unlimited</b>
Device Power	<b>2200 W</b>
Ventilator Power	<b>16 VA, 2 speeds</b>
Steam Ready Light	<b>Yes</b>

### IRON

Iron Soleplate	<b>Aluminium, brushed finish</b>
Iron Rest	<b>Yes</b>
Iron Weight	<b>1.18 kg</b>

### WATER TANK

Tank Capacity	<b>Around 1.2 litres</b>
Water Level Visible	<b>Yes</b>
Tank Empty Light	<b>Yes</b>
Tank Handle	<b>Yes</b>

### ANTI-LIMESCALE TREATMENT

Limescale System	<b>Yes</b>
Type of Limescale System	<b>Filter with granules included</b>

### DIMENSIONS AND WEIGHT

Dimensions of the surface	<b>125 x 42 cm</b>
Dimensions when folded (H x L x W)	<b>137 x 42 x 20 cm</b>
Dimensions when unfolded (H x L x W)	<b>(82-102) x 137 x 42 cm</b>
Height adjustable	<b>82 to 102 cm</b>
Length of electric cable	<b>2.3 m</b>
Length of steam cord	<b>2.1 m</b>
Total weight	<b>19 kg</b>
