## IRONING EXCELLENCE

Equipped with a 2-speed active board, an integrated steam generator and a professional iron, the Laurastar S4a ironing system diffuses an ultrafine, powerful steam which adapts to all fabrics.

### Description

The Laurastar S4a ironing system consists of an active board, equipped with a 2-speed blower and vacuum system, which you can change simply by pressing a button. The professional iron diffuses an ultrafine, powerful steam which will preserve fabrics and colours. Laurastar S4a comes with a design, highly-resistant cover and a protective soleplate for delicate fabrics, a steam cord holder and an anti-scale water filter refill

### Key Features

#### IMMEDIATE USE

The Laurastar S4a ironing system heats up in only three minutes. Thanks to its patented opening and foldaway system, it can be set up and stored away in an instant.

#### CONVENIENT

The Laurastar S4a ironing system has six adjustable height levels. For increased convenience, its vertical steaming function allows you to bring the finishing touch to your hanging garment.

#### NON-STOP IRONING

Laurastar S4a's removable water tank can hold up to 1.2 litres and has an integrated anti-scale filter. It allows you to add water as you iron.

#### SAFE USE

The Laurastar S4a ironing system has an auto-stop function which automatically switches off the appliance after fifteen minutes of non-use for increased safety and energy saving. Its safety storage box allows you to store away the iron when it is still hot.

#### EASY TO STORE AWAY

Easy to move around with its two pairs of integrated wheels, the Laurastar S4a ironing system is easy to store away, taking up only 20cm when folded.

## Specifications

<b>GENERAL FEATURES</b>	
Steam Pressure	Constant pressure, 3.5 bars (double volume)
Autonomous Ironing	Unlimited
Device Power	2200 W
Ventilator Power	16 VA, 2 speeds
Steam Ready Light	Yes
<b>IRON</b>	
Iron Soleplate	Aluminium, brushed finish
Iron Rest	Yes
Iron Weight	1.36 kg
<b>WATER TANK</b>	
Tank Capacity	Around 1.2 litres
Water Level Visible	Yes
Tank Empty Light	Yes
Tank Handle	Yes
<b>ANTI-LIMESCALE TREATMENT</b>	
Limescale System	Yes
Type of Limescale System	Filter with granules included
<b>DIMENSIONS AND WEIGHT</b>	
Dimensions of the surface	125 x 42 cm
Dimensions when folded (H x L x W)	137 x 42 x 20 cm
Dimensions when unfolded (H x L x W)	(82-102) x 137 x 42 cm
Height adjustable	82 to 102 cm
Length of electric cable	2 m
Length of steam cord	2.1 m
Total weight	19 kg
